

**4th Annual Honey Bee Festival
September 16, 2023**

Saturday, 10 am – 5 pm

Dear Friends,

John's Country Nursery is currently seeking sponsors for our 4th Annual Honey Bee Festival, on September 16, from 10:00 am – 5:00 pm.

This event is a **community-driven** festival to educate the public about the worldwide crisis of the honey bee, and the importance of supporting a healthy honey bee and pollinator population. Our goal is to increase public awareness of the impact that bees have on our food sources and the wide range of benefits of bee products.

Last year's Festival in 2022 was a huge success with **over 65 vendors** featuring natural and **locally created** products, food, educational presentations, music, fun, and over **3,600 attendees - DOUBLING our 2021 Attendance!** We are currently in the planning stages to have our 2023 event exceed the success of 2022, and would love to see your company represented at our event! **This will continue as a one day event.**

Corporate sponsorship begins at **only \$100, the \$250 level puts your LOGO on all ads and printed material, and the \$500 level gives you NAMING RIGHTS to certain areas. The attached document outlines ALL Of the Sponsor benefits.**

If you have questions or need more information, please contact Christine at John's Country Nursery 440-632-0016.

THANK YOU FOR YOUR SUPPORT!
